

## Feeding Tools

Exo Terra developed a line of feeding tools to facilitate the feeding of greens, pellets, insects and canned insects. Each tool is designed to ensure maximum hygiene and convenience. They provide comfort to the animals so they can eat in stress free conditions. These feeding tools contribute to a cleaner and healthier terrarium environment.

# CRICKET PEN

Holding pen with dispensing tubes

- Complete cricket care kit
- Removable, well-ventilated lid
- Easy cricket dispenser
- Includes cricket food and water bowl
- Makes cricket feeding neat & tidy

1 Holds up to 50 adult crickets

2 To feed, remove one of the dispensers

3 Tap the dispenser to feed the crickets

Self-closing dispenser holes

Easy top access

Feeding and drinking dishes included

The Exo Terra® Cricket Pen is ideal for housing, keeping and dispensing live crickets. Crickets prefer dark spaces, and will readily crawl into the tubes which provide hiding places for them, making it easy to use the tubes as dispensing tools. The tubes remain in position when the lid is removed, allowing easy access and less chance of cricket escape. Tip: To keep your crickets alive longer "gut load" or provide a slice of apple for food!

PT2285	Cricket Pen Small	18 x 14 x 11 cm / 7" x 5.5" x 3.3"
PT2287	Cricket Pen Large	30 x 20,5 x 19,5 cm / 12" x 8" x 7.6"
