

Leddy Mini Creative Set

AQUAEL

Come, paint your world!

The Leddy Mini Creative Set has been specifically **created for beginner aquarists** (making it perfect for children).

The compact size of the aquarium makes it a perfect fit for **any child's bedroom**. The Leddy Mini is built with durable FLOAT glass and is finished beautifully with a protective bottom frame ensuring **safe use**. The **Turbo Mini filter** included keeps the water sparkling clean.

Also included with this aquarium is a charming coloring ready background, this will provide a **creative entertainment** that allows you to compose your very own underwater world.

Leddy Mini Creative Set
